## **Bidder Information**

(Please Read Carefully)

- Green Lake County does not award any contracts as a result of this bidding procedure. Any resulting contracts are between the landowner and the bidding contractor/supplier.
- 2. The landowner reserves the right to select a different contractor for any reason, including if unacceptable delays are anticipated or should occur.
- 3. Green Lake County strongly recommends that a certificate of insurance be required as a contingency to the landowner selecting any bid.
- 4. The quantities and estimated costs listed on the front side of this bid sheet represent the best estimate of conservation staff, and should only be used as a guide. All detailed construction plans should be reviewed carefully by the bidder. Some quantities may be exceeded depending on construction methods, which is not an adequate reason in itself to exceed your bid price.
- 5. Amendments to bids are only allowed for additional construction costs that were necessary for the project and unaccounted for in the original bid. All proposed amendments must be properly documented and receive prior approval by the landowner and the LCD/NRCS.
- 6. All construction activity must follow the detailed plans provided, the NRCS construction specifications and all applicable industry safety standards.

I have reviewed and hereby agree to follow all the construction plans and associated specifications, for this project. I also understand all the bidding information listed above.		
The total bid price I have submitted is good fordays. (Min	imum 30 days)
