NEW CONSTRUCTION REMINDERS

Fire Number

All improved properties in the unincorporated areas of the County are required to be identified by a fire number referenced to a uniform numbering system. The uniform numbering system is in place to facilitate implementation of the county-wide 911 system. Fire number applications are available from the Office of the Real Property Lister at (920) 294-4015.

Sanitary Permit

A Sanitary Permit must be obtained from the Green Lake County Land Use Planning and Zoning Department prior to the construction of any new structure for human habitation or occupancy, if located in an area of the county not served by public sanitary sewers. To determine if a Sanitary Permit is required for a proposed project and to obtain application information, contact the Department at 920-294-4028.

Land Use Permit

A Land Use Permit must be obtained from the Green Lake County Land Use Planning and Zoning Department prior to the construction of any proposed new structures located in areas regulated under the County's general zoning or shoreland/floodplain zoning jurisdiction. To determine if a Land Use Permit is required and to obtain application information, contact the Department at 920-294-4156.

Uniform Dwelling Code (UDC) Permit or "Building Permit"

The local city, village, or town in which your project is located may have a Uniform Dwelling Code and/or Commercial Building Code permit and inspection program. Prior to beginning construction, it is your responsibility to contact the local municipality and inquire about any required permits or inspections.

- Towns of: Berlin, Brooklyn,
Green Lake, Mackford,
Manchester, Marquette,
Princeton, and Seneca

Sue Leahy (920) 229-6360

Erosion Control & Storm Water Management

An Erosion Control and Storm Water Management Permit may be required for the land disturbance and development associated with the proposed construction. To determine if a permit is required and to obtain application information, contact the Green Lake County Land Conservation Department at 920-294-4051.

Driveways & Culverts

If you will be constructing or installing a new driveway and/or culvert to access your property from a public road, you may be required to obtain a permit from the Green Lake County Highway Department or your local township. For access off a county highway, contact the Green Lake County Highway Department at 920-294-4060. For driveways off a town road, contact the Town (listed on previous page).
