

Community Service Eligibility Requirements / Conditions

1. Must be a sentenced inmate with Huber privileges. Probation holds are not eligible. If serving a sentence under Condition of Probation (COP) or Alternative to Revocation (ATR) inmate MUST receive permission from their agent to participate in the program. This is the responsibility of the inmate. An inmate serving an ES Sanction hold is not eligible.
2. Must be minimum or medium classification status.
3. Must be free of outstanding charges/cases from other jurisdictions or have met the bond conditions of those or any Green Lake County outstanding charges.
4. Must have satisfactory disciplinary/conduct record.
5. If Huber privileges become revoked, must wait 30 days following date of revocation to be considered.
6. Not eligible if charged as a Huber walk-away during current jail stay.
7. Sentence reduction credit is NOT transferable and unused credit is null and void when inmates are released from custody.
8. No partial reduction credit will be given. Reduction in sentences will only be awarded after (3) full days (24 hours) of work. Less than (24) hours will not result in a sentence reduction.
9. Any disciplinary charges, new criminal charges, warrants or suspicion of rule violation may result in termination from the program. **If an inmate is terminated from the program, all community service hours will be forfeited.**
10. The program director may reject any inmate with a past history of violent, combative, disruptive or aggressive behavior.
11. Other reasons for ineligibility (convictions of certain crimes) may apply. You will be notified of that reason should you be denied participation in the program.
12. Court ordered community service must be performed, with no sentence credit, before any community service for sentence credit can be performed.
13. If you are accepted to the program read the rules in the community service booklet thoroughly. Claiming ignorance of the rules is not a defense for a violation.
