Subject: Network Health Update

To view this email as a web page, go here.

As promised, I am reaching out to you with an update regarding the Network Health and ThedaCare contract negotiation. This morning, I met with ThedaCare. Though we do not have an outcome to announce, our efforts continue to represent the priority of our members and your patients. As you can imagine, a discussion of this nature may take some time. Over the past five years, Network Health has built many broad and complex connections with ThedaCare to better serve your practice.

I will continue to update you as we have more information to share. In the meantime, we will continue to work with each of you to remove disruptive barriers so you can maintain the exceptional in-plan care and service you provide to your patients, our members.

Again, on behalf of Network Health, I can't thank all of you enough for contacting us and working towards long term solutions which will deliver stronger health care benefits to our communities. If you have immediate questions, suggestions or information to share, please contact Melissa Anderson at <a href="mailto:meanders@networkhealth.com">meanders@networkhealth.com</a>.

Most Gratefully,

Don Schumann Vice President, Provider Strategies
