CORRESPONDENCE

Thank you from Maureen Betz to Lori Evans for all of the support and encouragement Lori gave to Maureen during her teaching career with us.

Thank you from Daniel Strickland to Sgt. Samantha Koscher and Deputy Adam Gordon commending them for their kind and professional manner as they assisted Mr. Strickland and his family while adrift on Big Green Lake after experiencing a malfunction with their motor.

Thank you from the Green Lake County Fair Committee and UW Extension Staff to the Sheriff and his staff for their support and presence at the fair. The thank you was accompanied by a check for \$250 which was placed in the K-9 Fund.

Letter from DA Andrew Christenson to Deputy Matt Vande Kolk commending him for his superior performance in a recent jury trial. He was well-prepared and paid attention to details. He communicated in a convincing and sincere manner at the trial. No less than 3 people who observed the trial commented that Deputy Vande Kolk was an excellent witness. DA Christenson stated that Matt's skill strengthens the cases that he investigates.

E-mail from Carol Gavalick, Coldwell Banker Broker complementing Deputy Ray Colhouer for his assistance in a boating incident on Big Green Lake acting as a Good Samaritan. Carol stated that Deputy Colhouer stopped to assist them before Boat Patrol arrived and then continued to assist them getting back to their destination which was on the other end of the lake and wouldn't take anything for it. She stated Deputy Colhouer is an example of what is right and good and that they were very lucky to have his help that day.

Thank you from the Berlin Public Library to Deputy Jason Preuss and Tess for presenting a program at the Library on what they do for our Community. They were very appreciative.

Two e-mail thank you's from Laura Clark, Wood County Sheriff's Office to Lori Evans thanking her for all of her help and stating that she is a huge asset to the Wisconsin Sheriff's Administrative Professionals group and has been for years. When Lori decides to retire, she will be hard to replace.

Subject: Cancellation of Car Killed Deer Contract

Dear Contractor:

The State budget was passed today, as part of the budget the car killed deer program run by the Department of Natural Resources was ended as of September 23, 2017, which means that funding to the DNR for this program will end as of that date. This letter serves as notice that your contract is being canceled per your contract Clause #2 CANCELLATION, due to nonappropriation of funds. As the effective date of cancellation is September 23, 2017; you will not be paid for any work performed after that date. Your payment for September will be prorated to 73% of the month, example: if you are normally paid \$1,000/month this month you will only be paid \$730.00. Attached is a chart for reference. Please submit your invoices by September 29, 2017.

Does this effect contracts I have with the counties? Any contracts you have with a county are between you and the county. You will need to talk with the county directly to see if the state budget change effects you.

The car killed deer program has been transferred to the Department of Transportation (DOT). Christa Schaefer is the DOT point of contact for the car killed deer program. She can be contacted at 608-266-3943 or at Christa.schaefer@dot.wi.gov.

Thank you for the service you provided to the State of Wisconsin. If you have any questions regarding the cancellation of your contract or submitting your final invoice, please contact me.

Best Regards,

Hello Law/Judicial Committee Members –

As you may be aware, GLSO and Highway receive numerous complaints yearly concerning deer carcasses littering our roadway edges. While not a law enforcement issue, we take some of the heat publically for the failure of the current, now eliminated, carcass abatement process. The public doesn't care about city, county, state, or town roads and who's responsible, they care that a 150 animal carcass is rotting in 80 degree heat right in front of them or their residence. Anyway, I received the attached e-mail from Amy at Highway. The e-mail announces the cancellation of the existing (former) state contracts with vendors who were supposed to recover or abate deer carcasses. GLSO and Highway worked together to try and make that failed system function as best as we could.

Controlled fire is used to wipe out overgrowth, waste, and dead material. That fire also releases new seed and affords room for growth and change. Hopefully, the elimination of funding for the car kill deer (CKD) program is the controlled fired need to effect change in how our CKD process is managed. Watch closely for new ideas and direction from both the DOT and local governments in how this is managed. You might have an idea that has merit. The point of contact for the DOT is in the letter. I suspect that local governments will bear more of the burden, however, I'm hoping for positive change.

Great team effort in recognizing what was going on, dealing with it, and keep everyone safe. The public often doesn't hear about these things and the OD subject most likely won't thank you. However, we certainly recognize the fact that you have your **personal guide set in the right direction in why you are really here.** (See Attached).

Sheriff, Chief, Sergeant,

I want to recognize Cassie Kohn for walking a caller through CPR over the phone that surely made the difference in the survival of the patient (case 172511) last night (9/12/17). While the patient wasn't revived until officers and EMS arrived, I don't believe the revival would have been possible without Cassie helping the caller through CPR while help was on the way. ALS had a slower response time due to being on a training exercise on Orchard Ave, rather than responding from the Green Lake station. The residence was on Spaulding Hill Rd. EMS personnel would be more qualified than me to analyze how the rescue was achieved, but I believe the circulation provided by CPR until advance life support arrived made the revival possible. Without it, I think there likely would have been a different outcome.

I just wanted to pass along a kudos to Law Enforcement for a great job last night. We had a confirmed heroin OD on Spaulding Hill Road. GLSO 56 and GL 74 were both on scene prior to my arrival. They had the proper protective gear on and were prepared to administer narcan with my orders. Fortunately, the patient regained consciousness just before I got there and no narcan was needed. I'm glad to see that our training is working. Great job. Thank the officers for me if you can.

Hello Lori,

Thank you for guiding me through the administrative steps in the hiring process for the MPTC Basic Education Instructor (GL County Jail) position. It is a pleasure to meet you. Thank you for asking conversational questions, providing your expertise, and sharing professional feedback regarding the documentation/administrative steps that support the program.

It makes me very proud to live in GL County, having learned of this progressive corrections program. I am looking forward to how I will supplement in its mission to connect students with practical course content, applications, and resources to aid in their academic and job/career goal attainment.

I can see why MPTC and Green Lake County is a great place to work due to your attention to detail, and your ability to help me feel as comfortable as possible. Thank you for selecting me for the position, and entertaining future possibilities where I may be of value to MPTC GL inmate students and community. (I will provide information in a separate email.)

I look forward to meeting the MPTC GL County inmate students and any future consultation with you.

RE: Upcoming Training/Monthly Update

Dear Judicial/Law Enforcement Committee Members:

I am writing in regards to the above referenced matter. I would like to attend the upcoming training, Wisconsin Coroners & Medical Examiners Association Annual Fall Conference that is taking place on October 23-25, 2017 at the Osthoff Resort in Elkhart Lake along with Deputy Coroner Rachel Merrick. The cost of the conference is \$250.00. However, the early bird registration is \$150.00 for each Ms. Merrick and myself. I would like to request approval for attendance to the conference as well as hotel for the stay. The hotel cost is \$82.00 per night, which will consist of two nights for Ms. Merrick and myself. I have attached the conference brochure for your reference.

Also, the Coroner's office has been steady with deaths. No autopsies have been requested for the month of September. Nothing additional to report.

Sincerely,

Amanda Thoma

DATE: October 4, 2017

TO: Green Lake County Judicial/Law Enforcement and Emergency Management Committee

FROM: Gary V. Podoll, Emergency Management Director

SUBJECT: Monthly Report

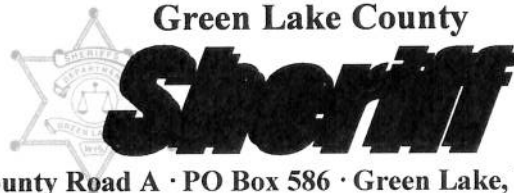

1. Mitigation Plan update surveys have been returned to me by all Cities and Villages in the County. I have also received all but 2 town surveys back. It is an excellent response by all. Mitigation Work Group meeting was held on October 5, 2017.
2. I finished my final report to the state for the end of Fiscal 2017 Plan of Work.
3. I submitted my 2018 Plan of Work to the state.
4. I was awarded a DNR Grant for \$12,950.00 for the Map books that we are working on with DNR, GIS, Land Conservation and Sheriff.
5. I am working on the Credentialing.

Please, if you have any questions you can contact me at 920-290-2275.

Sincerely,

A handwritten signature in cursive script that reads "Gary".

October 4, 2017

To Judicial and Law Enforcement Committee Members,

Code Red was utilized twice since our last meeting. Both times were on September 23. The first started as an eluding case in Berlin and ended in Princeton with the use of stop sticks. The driver fled on foot and was apprehended after an extensive search. He was charged with Recklessly Endangering Safety, Fleeing, Eluding, Operating without the Owners Consent, Resisting and Bail Jumping.

Later that day, the Green Lake County E911 Communications Center received a call concerning a weapons related incident where a man fled into an apartment with a firearm in the City of Green Lake. Law Enforcement arrived and determined that all other occupants had fled the building. The CTU team as called out, a command post was established, equipment was summoned and efforts began to reach out to the male party to establish communications. The male party appeared from the upper apartment and had serious self-inflicted, life threatening, injuries. Flight for Life was summoned and transported him to Theda Clark Hospital. The investigation continues with criminal charges expected to be referred to the District Attorney within the coming weeks.

We have applied for the BOTS Seat Belt Grant or 2018 and anticipate receiving \$10,000 of wage and fringe money to assist in Task Force Deployments starting in March 2018 through September, 2018.

The 2017 year end totals are as follows:

Total Warnings:	224
Total Citations:	199
Breakdown of Citations:	
Restraints:	82
Speed:	52
OWI:	4
License Related:	11
Vehicle Related:	6

Looking forward to seeing you on Wednesday evening.
