## PURCHASE REQUESTS

The second is for a 2017 Ford Police Interceptor Utility AWD from Ewald Automotive on the State bid of \$28,032.00. This is due to a high mileage squad that has engine problems. Account number for both is 17-100-09-52150-810-003. The purchase request for the Ram has already been approved by P&I due to the expiration date of the quote. The purchase request for the Interceptor will need to go to P&I

This will be discussed at the next Judicial Law Enforcement meeting.

## **GREEN LAKE COUNTY MITIGATION PLAN UPDATE**

Emergency Government Manager Gary Podoll explained to the Committee that the County is required to update its Mitigation plan every five years as required by the Federal Government. The cost of this is a 75% Federal Grant to 25% local match. Our local match can be in-kind using Gary's time. The County Administrator met with Gary this afternoon and approved the agreement. Budget adjustments for funds coming in and going out of the County were approved by Finance. The Committee approved the agreement and requested that Gary give them quarterly updates on the progress of the plan.

Gary also reported that he and the Sheriff presented their model regarding an active EOC operation at the Governor's Conference recently. Attendees were very impressed. Chairman Starshak complimented Gary on the fine job he is doing as Emergency Government Manager.

## **RESOLUTIONS/ORDINANCES**

None

## **DEPARTMENT RELATED COMMENTS**

Clerk of Courts: Amy Thoma, Clerk of Circuit Court reported that State Debt Collection has been implemented and that \$5,600 was collected just on the initial Notice of Intent.

Circuit Court/Register in Probate: No Appearance – Judge was out of town.

District Attorney: DA Christenson reported that an Arson/Homicide criminal complaint from the City of Princeton was filed yesterday. The County can expect there to be extra time and expense incurred in the DA's office this year due to that case.

Coroner's Office: Coroner Thoma reported that she has been very busy this year. By this date in 2016 there were 41 deaths, this year so far there have been 74 deaths. She has already had 6 autopsies for the year that is close to her annual total. That number is up due to the homicide and the unknown causes of death that appeared to be suicides, many being drug related. If this trend continues, she reported that she will be over budget at the end of the year.

She reported that the Coroner's conference that she hosted went very well. The attendees were very impressed with Green Lake County Detective Chad Holdorf's presentation regarding the death of Officer Bruce Williams.

Emergency Management: Gary Podoll reported that he had just completed a four hour evacuation exercise with the hospital in Berlin and that there will be spotter training on April 27<sup>th</sup>.

Sheriff's Office: Sheriff Mark Podoll reported that his Department assisted Princeton in their arson/homicide investigation. Due to manpower constraints at the City of Princeton PD from the case, the Sheriff offered to have his Department go to Florida to retrieve evidence. The City of Princeton will be reimbursing the Sheriff's Office for fuel, lodging and trailer rental. The Sheriff thanked the County Administrator for her support and to the Maintenance Department for the use of their truck and them making it a priority to get the truck ready for the long journey.

The Sheriff further reported that Lori Leahy, former Corrections Lieutenant has been promoted to Corrections Administrator, Lynn Ryann has been hired as a full-time Corrections Clerk and Corrections Officer Samantha Koscher has been promoted to Corrections Sergeant. He is working on promoting another officer to the road. He told the committee that it was National Telecommunicator Week and that their theme was camping, which added a little fun to the job for the week.

Lynn Ryan, Corrections Clerk reported that she has three new Ripon College students volunteering starting in April on the Storybook project which helps to reunify inmates with their children as the inmates record a story which is given to the child while the inmate is incarcerated. Lynn also reported that Ripon College also has four Psychology students observing our inmate mental health worker at different times. This is part of their school programming and gives them a better understanding of the psychological needs of the inmates.

Chief Deputy Putzke reported that he recently attended a joint Highway Traffic Safety meeting on Bike/Pedestrian traffic that was very informative. He also reported that the Bureau of Transportation Safety (BOTS) grant has been funded and implemented once again this year in the County.

## **BUDGET ADJUSTMENTS/NEW ACCOUNTS**

Gary Podoll requested approval of budget adjustments for the Mitigation Plan. These will be pass through funds. *Motion/Second (Jenkins/Wallace)* to approve the request. All Ayes. Motion carried.

## **MONTHLY SHERIFF REPORTS**

The monthly Sheriff's reports were reviewed

## **EXPENSE AND REVENUE MONTHLY REPORTS**

The monthly expense and revenue reports were reviewed. A question arose regarding the mass casualty incident expense on page 16. Amy Thoma said she would check with the Judge regarding this.

Subject: 2016 Water Safety Patrol Reimbursement

Dear Patrol Representative:

I am pleased to forward to your department the enclosed final reimbursement in the amount of \$11,848.90 for law enforcement services provided by your Boat Enforcement Patrol for the period January 1, 2016 to December 31, 2016.

Your claim was carefully audited and may have been adjusted to add or delete items, correct mathematical errors, etc.

When claims are reduced to meet Department standards or specific purchases are denied, municipalities have the right to appeal this reduction. For judicial review of a decision pursuant to ss. 227.52 and 227.53, Wis. Stats., you have 30 days after the decision is mailed, or otherwise served by the Department, to file your petition with the appropriate circuit court and serve the petition on the Department. Such a petition for judicial review shall name the DNR as the respondent. To request a contested case hearing pursuant to s. 227.42, Wis. Stats., you have 30 days after the decision is served by the Department, to serve a petition for hearing on the Secretary of the DNR. The filing of a request for a contested case is not a prerequisite for judicial review and does not extend the 30-day period of filing a petition for judicial review.

Your work to ensure the safety of all Wisconsin citizens and tourists who enjoy our waterways by boat is appreciated. On behalf of the Department of Natural Resources, thank you for your outstanding partnership.

Sincerely,

*Penny Kanable*

Dear Detective Holdorf -

Thank you so much for your decision to pursue the Gahnke investigation a couple years ago, which came to a successful conclusion last fall. The District attorney defended Dustin and Chris Gahnke, and they received the inheritance their Mother intended. It has made a profound difference in their lives, and it wouldn't have happened without your intervention.

Gratefully,  
 Kelly and John Yeler  
 (aunt and uncle)

Your kindness  
 really made a difference...  
 Your thoughtfulness  
 really touched <sup>our</sup> hearts...  
 The gratitude <sup>we</sup> feel all my <sup>family</sup> thanks!  
 really can't be ~~described~~ <sup>described</sup>  
 put into words.

Words can't describe how much your actions have helped me. I've been able to rebuild my life and it is all thanks to you.  
 Justin Baker

Thank you so much for your tireless work. I've finally been able to get back on my feet again.
