DEMENTIA Live®

Dementia Awareness Experience

Dementia Live® Is a high impact, dementia simulation experience that immerses participants into life with dementia, resulting in a deeper understanding of what it's like to live with cognitive impairment and sensory change.

Dementia Live®...

- **Is Feasible** - Easily Implemented; High-impact experiential learning suitable for every member of your organization, regardless of his or her role.

- **Heightens Empathy** and understanding; Builds new bridges of communication; Improves dedication to person-centered care practices.

- **Elevates Family Engagement** - A catalyst for meaningful communication; Improves quality of visits with loved one; Improves interaction with care-team; Higher family satisfaction survey scores.

- **Facilitates Staff Satisfaction** - Improved relationships with residents/patients; Reduces care-partner stress.
