DEPARTMENT RELATED REPORTS

Written reports were included in the packet from the Sheriff's Office, Clerk of Circuit Court, Coroner, and Emergency Management.

The Committee requested that all Departments supply them with a monthly report. The report should include reports on any training they attended, events that may have happened during the month and should contain statistical data about their office. Lori Evans read an excerpt dated March 21, 2018 from Corporation Counsel regarding reports. Written reports will be kept on file. Recording of oral reports should only indicate who gave the report and the subject matter, i.e. the status of the budget.

Clerk of Circuit Court reported that there is a jury scheduled for tomorrow.

The Judge and DA had nothing to report.

Emergency Management Director Gary Podoll and Sheriff Podoll further explained what was in their written reports. Gary Podoll also report on weather related events of the past month and the benefits of using the drone to assess damages. Sheriff Podoll stated that Next Gen 911 will be coming in October. He also reported on the \$22,000 donation

received from the Shoot'n for a Reason fund raising event which will be used to purchase another K-9. He has been named as the Badger Sheriff's Association President for the State of Wisconsin. Next month in Indiana there will be a meeting for Executive Law Enforcement members which Sheriff Podoll plans on attending. He will be presenting a request to the County Board for this out of state travel. The Sheriff advised the Committee of his plan to commemorate a memorial for fallen Deputy Bruce Williams with a wall painting and display in the EOC room. The commemoration ceremony will be on October 19, 2018, the 15th anniversary of his death. The Committee was fully in favor of doing this.

RE: Department Update

Dear Committee Members:

I will be unable to attend the Jud Law meeting on October 10th as I will be attending Clerk of Circuit Court conference in Green Bay.

In 2016, The Wisconsin Clerk of Circuit Court Association (WCCCA) had partnered with UW-Green Bay to allow Clerks of Circuit Court to attend classes scheduled during conference to earn continuing education credits towards a Certificate of Court Executive Development. I have participated in this since it started. I am also chairperson of the WCCCA Program Committee which sets the agenda for each of our conferences. There is a lot of work associated with this, but it is rewarding to hear compliments from fellow Clerk's on how well the conference was put together. With this only being my first term as Clerk of Circuit Court, I felt it would be a rewarding and challenging experience to be a part of this committee.

Our office is in the process of mailing out just over 1,600 Juror Qualification Questionnaires to Green Lake County residents to establish our 2019 Juror pool. This, of course, is a time consuming project and most of the completed questionnaires need to be manually entered into our jury program. If a prospective juror does not return the questionnaire within two weeks, our office will send out another mailing. If a prospective juror still does not complete the questionnaire, then our office will set up a hearing before the Court. The goal is to establish the 2019 juror pool by the end of the year.

Also of note is the recent restructuring of District Court's in the State. There were 10 Judicial Districts. District 6, in which Green Lake County was in, has been dissolved. We are now a part of District 4 which includes the counties of Winnebago, Calumet, Manitowoc, Sheboygan, Fond du Lac, Marquette and Waushara. I look forward to working with our new District Court Administrator, Jon Bellows.

October 3, 2018

To Judicial and Law Enforcement Committee Members,

Lexipol –

The entire custody manual has moved from the edit phase to the review and approval phase. We hope to implement this after Judicial/Law review in December. This was a large undertaking and we are eager to roll this out.

GLSO Events –

1. 09/20/18 – Combined Tactical Unit paged and responded to the jail for an inmate who was out of control, kicking his door, and attempting to do damage. The incident was resolved peacefully without further damage, injury, and without use of force.
2. 09/22/18 – Lost hunter in the White River Marsh. The hunter was found via GPS phone coordinates, was spotted with the Drone, and was escorted out to safety.
3. 09/25/18 – Upon this date our Records Management System (Spillman) was upgraded to a new version. This was a radical upgrade involving the installation of new servers. Our IT Director, Bill Hutichison and Sgt. Kevin Manning were instrumental in getting this done without turmoil.
4. 09/26/18 – Upon this date our new K-9 deputy was selected. Deputy Tyler Hoerig was promoted to K-9 Handler with “Steck”. Several qualified applicants were interviewed in the process.
5. 09/28/18 – The new Green Lake Conservancy property was put to good use on Sept. 28 by way of the annual MS Challenge walk. Over 90 walkers were able to stay off of Cth.K and use Oakwood Beach Road to connect to Oakwood Ave. in a walk covering the south side of the lake. Special thanks to Charlie Marks who make this connection for the group.
6. 09/29/18 – The City of Green Lake’s Harvest Fest was attended by many and involved very few issues.
7. 10/03/18 – The Sheriff’s Office, Emergency Management, Sheriff of Marquette County, and lake districts from Puckaway and Little Green (Fox River) continue to monitor water levels at or above flood stage. The Slow-No-Wake order on these bodies of water (excluding Big Green) remains in effect.
8. 10/03/18 – September saw a marked decrease in boat traffic; typical for this time of year.

See you at the meeting,

Mark A. Podoll, Sheriff
