We encourage the public to continue to utilize our online and mail in options to conduct business, but if you choose to come “in person” we will now have that option as well.

The office will be fully staffed and will serve customers using social distancing whenever possible. Our staff will also be available to answer phone calls and emails to assist customers with any questions they may have. Land records dating back to 1845 are also available to view and purchase online.

“The health and safety of our employees and customers remains our top priority,” said Green Lake County Register of Deeds Sarah Guenther. Our office will provide single service pens, have social distancing markers, and a waiting area for overflow of customers. Our office will be using the guidance provided by WEDC to provide safe and effective service.

The Green Lake County Register of Deeds Office will continue to closely monitor the impact of COVID-19 on the community and will continue to reference the guidance of the Centers for Disease Control and Prevention, Wisconsin Department of Health Services and Green Lake County Public Health.
