

Green Lake County Public Health Face Covering Enforcement FAQ:

What do I do if I see someone not wearing a mask, even though they should be?

Nothing. Some people have conditions or circumstances that would make wearing a cloth face covering difficult or dangerous. Just wear your mask and stay six feet away.

What do I do if someone is harassing me for wearing a mask?

No one should have to endure harassment, for any reason. Contact your local law enforcement.

Business owners are expected to enforce the mask mandate in their places of business. A business has the right to refuse service to individuals who do not comply. What do I do if someone is threatening or harassing my business and employees because they do not want to wear a face covering in my facility?

Contact your local law enforcement.

What do I do if I notice a business or organization not implementing the face covering requirement into their operations?

A complaint can be submitted to Green Lake County Public Health at our email, glcdhhs@co.green-lake.wi.us

- Please provide details of the concern and any proof of the allegation that you may have.
- Response times may vary as our staff are managing many aspects of COVID-19 response.
- Please do not call Public Health with face covering related complaints. Our phone lines are already very busy, you may not get a response. Please submit all face covering concerns through our email.
