**APPROVAL OF 06/16/2021 MINUTES**

*Motion/second (Mashuda/Sharp)* to approve the minutes of the 06/16/21 minutes as presented with no additions or corrections. Motion carried with no negative vote.

**UPDATES TO MEMO OF UNDERSTANDING**

Chair Rogers stated there is currently no MOU in place with the City of Green Lake regarding the trail west of the city. Discussion held on maintenance – this will be placed on the Parks Commission agenda. Discussion held regarding adding a County Board supervisor to this committee through an MOU amendment. Corporation Counsel Dawn Klockow stated that only the county, Town of Brooklyn, and Green Lake Greenways can negotiate changes and/or updates to the MOU as written. She will present amendments to the Parks Commission.

**USE OF ELECTRIC ASSISTED BICYCLES**

Chair Rogers stated that Dane County, City of Madison, Sheboygan County and Vilas County all have “loose” recommendations regarding the use of e-bikes on their trails. The DNR and state/federally funded paths such as the ones in Green Lake County must follow the rules set forth by them. A recommendation will be brought before the Parks Commission to place signage on the trail posting a 20 mph speed limit, e-bikes must be pedaled, and only mobility assist devices for disabled individuals are allowed.

**DISCUSSION OF FRIENDS OF THE TRAIL GROUP**

Chair Rogers provided a legal definition from the DNR stating the guidelines for a “friend” group. He will take this back to Green Lake Greenways to designate that group as such a group.

**COMMITTEE DISCUSSION**

- **Future meeting dates: Regular meeting – September 15, 2021 @ 1:00 PM**
- **Future agenda items for action & discussion:**

**ADJOURNMENT**

*Motion/second (Weir/Mashuda)* to adjourn the meeting at 1:30 PM. Motion carried with no negative vote.
