David Gneiser - 920-369-6314
Richard M Sobieski - 920-229-5285

Drainage Board February 11, 2022 9:00 am – 10:00 am Intersection of County Hwy F and Thoma Rd Berlin, WI 54923

Call to Order: The meeting of the Drainage Board was called to order by Chairman Gneiser. The requirements of the open meeting law were certified as being met.

Present: David Gneiser
Richard M Sobieski

Also Present: Jim Trochinski, LeRoy Petit, Mike Eagen, Matt Steger, Richard Dieringer, Todd Morris – GLC Land Conservation, Derek Mashuda – GLC Highway Commissioner, Jason Franke – GLC Highway Superintendent.

Board will meet with Green Lake County Highway Department to discuss District 5 possible tile replacement along Hwy F: Discussion with Highway Department, board, and landowners on tile replacement. Approved drainage plan has an 8” tile specified. Highway department did put the idea out there of installing a larger, 24” tile, and then totally filling in the road ditch. Discussion with landowners was that they feel that a smaller tile is necessary to draw the groundwater down below the elevations of the basements, feel this was probably the original intention of the tile installation. It was agreed upon that the plan would be to proceed with getting prices from the Highway Department for the replacement of 8” perforated tile.

The highway department also stated that culvert replacements under private driveways will be the landowner’s cost. The department will pay for paving during Hwy F resurfacing project.

The board will wait for a cost estimate from the highway department for the tile replacement. The highway department will separate out the cost of tile installation and culvert replacements for landowners.
