Chair Rogers stated that work continues on Phase II of the trail. Construction is currently running about a month behind schedule due to bad weather but completion is expected by July 10, 2022. Rogers explained the easement process and the compliance requested by the DOT.

DISCUSSION REGARDING PHASE III OPTIONS

Chair Rogers presented a map outlining the proposed options for Phase III of the trail which will allow users access to downtown Green Lake from Fortifi Bank on the corner of Hwy 23 and Hwy 49. Rogers outlined the DOT suggestions and asked for feedback from the committee.
