March 10, 2022

To the Members of the Green Lake County Board

First, I want to thank all of you who were involved in instituting a Medical Examiner system to our county.

This is such an important step for all county citizens, law enforcement, and all of us directly or indirectly involved in care of deceased members of our communities.

A lot of the families that we serve, meeting a medical examiner or deputy will be the first experience with a death of someone close. With that said, this position wears many hats.

You all have been informed by all the funeral homes that serve our county, of the importance of this office. My concern as well of my peers, is the importance of timely responses to the cases this office receives.

Our hands are tied until the response and release from this office is received by us. We are "at the mercy" of how timely and efficient this office operates. Which lends to my concern of coverage of the complete county, while addressing the cases of additional county.

We have been blessed with a wonderful register of deeds office, who dispatches our required documents in more than a timely manner. But that hinges on the timely response from the ME's office with the necessary response time with their portion of our documents.

Families have a difficult time understanding why these things take so long, when they need to get their personal, financial, legal, and property issues addressed while they are together.

This position is so very important, maybe, a pause to expand the possibilities of obtaining teaming with adjoining counties should be studied and compared.

Respectfully,

Cynthia Skipchak

**RESOLUTION NUMBER    -2022**

**Resolution relating to PSAP Grant Funding for One Public Safety Answering  
Point per County**

The County Board of Supervisors of Green Lake County, Green Lake, Wisconsin, duly assembled at its regular meeting on this 16th day of August 2022, does resolve as follows:

- 1    **WHEREAS**, every municipal and state agency that provides fire suppression, law  
2    enforcement, and EMS, may establish a 911 system. Most counties operate their own  
3    Public Safety Answering Point (PSAP) to meet the needs of their citizens; and
- 4    **WHEREAS**, the 2017-19 Wisconsin state budget required DMA to create an emergency  
5    services IP network to be provided to all PSAPs. This digital network is essential in  
6    transitioning the state's 911 system from the old and outdated analog system to a  
7    current and advanced NextGeneration 911 system; and
- 8    Fiscal note is not applicable.
- 9    Majority vote is needed to pass.

Chairman Joe Gonyo  
Judicial / Law Enforcement Committee  
Green Lake County Courthouse

RE: Register in Probate

Dear Chairman Gonyo:

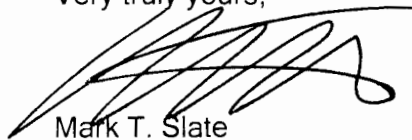

I wanted to write this letter to you to inform you, and the Judicial Law Enforcement and Emergency Management Committee, of a recent change in the Circuit Court. Casie Ewerdt, who was the Register in Probate, Judicial Assistant and Juvenile Clerk, recently resigned to take a job with the SmileDirectClub. Although she did not seek out this new opportunity, it was too good for her to pass up. It comes with a pay increase and is 100% virtual, so she can work from home, among other benefits. She will be missed and I told her we wish her well in her new position.

Angie Smit, the legal assistant to Corporation Counsel, has accepted the position of Register in Probate, Judicial Assistant and Juvenile Clerk. Her first day was August 2, 2022. Although only on the job for only a few days, she is already becoming an asset to the Court and is learning all the various requirements of the job.

The transition has been helped with assistance from the Clerk of Court, Amy Thoma, and her staff. I am glad that the Circuit Court and Clerk of Court's Office are able to work together to assist the other when needed. Not all counties are able to work efficiently together as we are.

Should you have any questions, please do not hesitate to contact me.

Very truly yours,

Mark T. Slate  
Circuit Court Judge
