Action on Minutes:

Appearances & Correspondence: None

Old Business: Vandeyacht talkd about the Spring Conference. It was a National conference held in Madison. He feels it was of great value since not only did they get the regular briefings from the VA and partners, but the personal interactions with CVSO's from across the country gave new ideas on how to accomplish some claims tasks.

Vandeyacht gave a recap on the student government day for this year. There were two schools having difficulty finding 9 students to fill all of the slots. Hopefully this isn't a trend.

Vandeyacht identified that the use of the emergency grant has been low so far this year. This indicates that Veterans in the county are doing ok.

Vandeyacht stated that they are still with only one volunteer driver. The search continues.

New Business: Vandeyacht reported that the Budget cycle is kicking off and so far hasn't been asked to reduce the budget. It will be submitted to the county administrator at the end of the month.

The CVSO fall conference will be in Racine in October. Vandeyacht is the state association of CVSO's tech person. He maintains the website and forums as well as maintains the equipment for the association.

Service Office Report: Vandeyacht reported that contacts and request for claims remains high. He hopes that the office can transition to VetPro sometime this year.

Vandeyacht reported that one of the goals for this years fair is to find a new volunteer driver.

Financial Report: After discussion, Burdick made a motion to approve the Financial Report as submitted. Second by Shrock All ayes. Motion carried.

Future Meeting Date: The date for the next meeting will be Tuesday, Oct 17, 2023 at 10:30
