10 **WHEREAS**, Green Lake County real estate transfer fee collections over the past five
11 years totaled \$2,254,904, of which the county retained \$450,981 and \$1,803,923 was
12 remitted to the State; and

13 **WHEREAS**, using a 50/50 split, the County's share of fees collected on local real estate
14 transfers during that same five-year period would have provided an additional \$676,471
15 in support of local government; and

16 **WHEREAS**, in 2021 the State of Wisconsin had built up a budget surplus of
17 approximately \$2.5 billion dollars, while many Wisconsin counties continue to struggle
18 financially due to the ever-increasing costs of providing county government services in
19 an inflationary economy, coupled with the financial restrictions imposed by State
20 mandated levy limits; and

21 **NOW, THEREFORE, BE RESOLVED**, by the Green Lake County Board of Supervisors
22 that in an effort to assist all Wisconsin Counties requests, the State of Wisconsin to

Reason for Recommendation:	Most financial and operational decisions come through these committees on the way to the County Board for approval. It can be a long and arduous task to have an operational need or challenges run through multiple committees to make it to the County Board. If the timing of a request is not right, it can take as much as 3 months to make it to the CB, unless a special meeting is called to accommodate request. Despite the redundancy of requesting to more than one committee, items aren't being fully vetted and impacts of decisions are being missed.

ADMINISTRATIVE COMMITTEE

COUNTY CLERK ANNUAL REPORT

February 6, 2023

Activities in the County Clerk's office for 2022 included:

- ❖ 2022 was a busy year for elections. We had the April election which included County Board supervisors, the August primary, and the November general election. I serve as the Chief Election Official of Green Lake County by overseeing election administration, ballot preparation, programming, and certifying election results. Elections require much more work and attention to detail than in the past including WisVote entry, increased demand for absentee ballots, and keeping up with election law changes. I commend all of the municipal clerks willing to take on this daunting task and I appreciate all they do. I also appreciate Samantha's knowledge and her ability to manage the WisVote processes.
- ❖ Marriage licenses were on the increase in 2022 over the previous year. On July 1, 2022 we saw changes to a few marriage laws, one being that couples are able to apply in any county in the state. The 5 day waiting period changed to 3 days as well.
- ❖ Passport application processing increased dramatically in 2022! Apparently everyone wants to travel again after the pandemic! Annual training is required to keep our certificates up to date and to provide accurate information for each situation and questions that arise. Both Nan and Sam do an excellent job of providing this service to area residents. We have even had applicants come from quite a distance away because they heard we offer the best customer service in the area!
- ❖ All of the payroll tax reporting, W2's, and the annual retirement reconciliation have been completed for 2022.
- ❖ Maintaining and tracking dog licenses is a statutory duty of this office. There is no revenue involved with the process – all of the funds taken in are remitted to the state or paid back to the individual municipalities after expenses.
- ❖ I helped coordinate meetings and processes for the Administrative Committee and Public Administration Associates, LLC in their search for new County Administrator Cate Wylie in December of 2022.
- ❖ Other services my office provides to the county include payroll, phone management (landline and cell phones), door and badge security, agendas and minutes, purchasing and distribution of office supplies, mail distribution, DNR license sales, snowmobile maintenance grant funding, and benefits administration.

- ❖ Each year I like to take the opportunity to thank my staff for their contribution to this office. Both of them provides much appreciated assistance to me and to the general public, including our fellow Green Lake County employees.

As always, feel free to contact me with any questions or comments you may have.

Respectfully submitted,

Elizabeth Otto

2022 ANNUAL REPORT

To the Honorable Board of Supervisors of the County for Green Lake County

2022 was a year still well above normal recordings for the Register of Deeds Office. Although slightly less hectic than 2020 and 2021, at the end of 2022 we were still recording documents at an elevated level. In all we recorded 5039 documents, 3820 documents and 1219 transfer returns. Our Erecording of documents is now over 50%. Over half of our documents for recording are now delivered to our office via internet and not through the postal service. The Register of Deeds office is a roller coaster with our economy. I do expect recordings to drop over the next couple of years, but this is a normal pattern for the office. Please see the total of Recordings and Transfer Fees chart for dollar amounts.

The issuance of Statewide vital records has affected our sales slightly. We have seen an increase in printing of death certificates. Local, out of county funeral directors have been utilizing our services more, which has increased our sales of death certificates. Marriage and Birth certificates have remained somewhat steady over the last couple years. Please refer to the Copies of Vital Records Issued chart.

Partnered with Fidlar, our software company, we continue to provide online services for real estate and vital records. We are continuing to provide quick and efficient service to our customers in our office as well. While still learning and new to the office, both Deputies in the Register of Deeds office are cross trained, which allows for proficient service to customers at the counter and on the phone. Many callers and counter customers stress how they appreciate the in-person service, either by answering the phone directly or by the ease of getting documents needs from our office.

We are continuing to back index as time allows. This can be a very slow process because of the abbreviated and hard to read legal descriptions of the past.

If you have any questions about the Register of Deeds office, please feel free to stop in and learn more about all we do, from recording over 100 different types of documents, Military Discharges, Vital Records, to helping with genealogy.

January 31, 2023

It is my pleasure to present the 2022 annual report for the office of the Green Lake County Treasurer.

- ✓ Two bond payments were made in 2022. One on March 1st and the other on September 1st.
- ✓ Attended the following conference: WCTA
- ✓ Continue to manage the credit card portfolio.
- ✓ Researched and applied for the LATCF funds.
- ✓ Received the first installment of \$50,000.00 in LATCF funds.
- ✓ Jennifer Dimiceli's last day was May 16, 2022, and Stefanie Meeker started on August 16, 2022.
- ✓ Sold all of the 2017 properties.
- ✓ On August 5, we officially ended the 2021 tax collections with a total of \$564,117.28 in unpaid 2021 taxes, which is 1.03% of the tax roll. This number is slightly lower than last year.
- ✓ Interest rates started to drop in the first quarter. They have continued to trend upward since the third quarter and have leveled off in the 4th quarter.
- ✓ In December, we started the process of receiving mill rates and certified levy amounts. The clerks enter their own special assessment and levy amounts, which our office verifies. Once we received final confirmation from the clerks that all information was accurate, we printed the tax bills, tax rolls and all pertinent information relating to the tax collection.
- ✓ The Treasurer's office has finished out 2022 with our highest number of tax dollars collected to date for the current tax year. As of December 31, 2022, our office has collected \$10,226,314.80 for the 2022 tax roll. This figure reflects collection for ten of the sixteen municipalities.
- ✓ Stefanie reviewed all pertinent recorded documents regarding ownership changes. The number of ownership changes on properties has soared over the previous year's numbers. We processed more documents regarding ownership changes this year compared to last. We continue to see an increase in the number of splits and/or combinations. These transfers require a more extensive review and create additional work at the end of the year when we need to manually create tax bills for each newly parcel created. Stefanie had her hands full with the backlog and number of previous documents that were processed but needed a more thorough review.

Coming up in 2023:

- ✓ With the start of the New Year, we begin to prepare assessment rolls for the next tax cycle. This involves "rolling over" the tax rolls in our tax assessment software, compiling the new assessment rolls, verifying that all new values are correct and distributing these to the assessors so they can start the new tax year. This is an intense period of verifying and compiling reports and distributing all of these forms to the municipalities.
- ✓ In February, the tax settlement process will be complete. At this time, the municipal Treasurers turn their collection records over to the county. The percentage of all taxes collected paid by the first installment needs to be distributed to all districts within the 16 municipalities by February 21st. These calculations are done in this office.

In addition to collecting taxes, the Treasurer's office continues to be a central location for many important functions within the Government Center. Some of these functions include, receipting and depositing all monies, keeping daily balances of all bank accounts, distributing all checks for the county, investing excess funds, maintaining records of all unpaid and delinquent taxes, assisting local municipal clerks and treasurers with their tax collection and settlement as well as their tax and assessment rolls preparation and furnish complete and balanced tax settlements to the Department of Revenue, to name a few.

The Treasurer's office staffs two-full time employees; Stefanie Meeker and myself, and one part-time employee; Brenda Sondalle. As always, our goal for 2023 is to continue to provide accurate and friendly customer service to county board supervisors and co-workers alike. Our office strives to be as transparent as possible with everyone that enters our doors. When people leave our office, our goal is to ensure they have a better understanding of the tax bill process, as well as the many other functions our office handles.
