This office sent out a summons for seventeen jury trials in 2022. Of this number, jurors reported for ten trials. Of these trials, one trial was cancelled the morning of the trial due to an agreement being reached; five cases ended in a guilty verdict; two cases ended in guilty/not guilty verdicts; one case ended in a not guilty verdict; and one case ended in a mistrial. Charges for these trials were OWI 1st and 4th, Battery, Strangulation/Suffocation, False Imprisonment, Disorderly Conduct, Bail Jumping, and 1st Degree Sexual Assault.

The cost for these trials total approximately \$16,500.00. This amount includes per diem and mileage payments to jurors, bailiffs, meals, and supplies.

COLLECTION OF UNPAID DEBT

Our office began our contractual service with State Debt Collection (SDC) in March of 2017. This service is at no cost to the County. Any debt over \$50.00, and at least 90 days old, can be submitted to SDC.

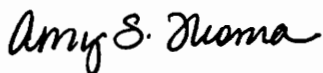

SDC continues to be a great resource in collection of unpaid debts, some of which are paid to the County. Since 2017, SDC has collect approximately \$539,400.00 on our behalf, over \$125,000.00 in 2022.

CASE COMPARISON & FINANCIAL INFORMATION

I have attached a 10-year case filing comparison. I have also attached financial information for 2022 that outlines costs and fees our office received, along with expenditures, payment received by the State of Wisconsin and payments collected for, and submitted to the State of Wisconsin, and to county municipalities.

My staff is to be commended for the excellent customer service provided in this, at times, hectic and fast-paced office and courtroom alike. Our goal is to continue to work together to provide this continued service and professionalism to the general public, and fellow County employees.

Respectfully submitted,

Amy S. Thoma

CIRCUIT COURT | FAMILY COURT COMMISSIONER | REGISTER IN PROBATE 2022 ANNUAL REPORT

The Circuit Court is the trial court of general jurisdiction in Wisconsin. It has original jurisdiction in both civil and criminal matters unless exclusive jurisdiction is given to another court. It also reviews State agency decisions and hears appeals from municipal courts. Jury trials are conducted only in circuit court.

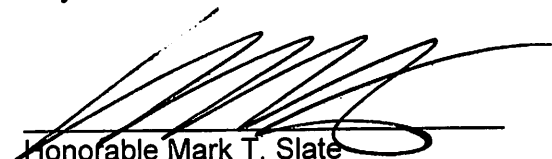

Attached to this report is a list of the cases that have been handled by the Register in Probate and Juvenile Clerk. Case filings fluctuate from year to year and it is hard to see any consistent trend except that mental commitments are significantly down.

Angie Smit took over as the Register in Probate and Juvenile Clerk in August of 2022 and is still learning the job, but doing very well.

There have been few changes with regards to the court system in 2022. Although the Covid-19 pandemic is over, the Court continues to rely heavily on holding hearings via Zoom.

The Family Court Commissioner covers many hearings in family law cases, such as divorces and also hears restraining orders. The Family Court Commissioner also hears mediation for family law and small claims cases. Circuit Court Commissioner John Blazel took on more cases in 2022 and is transitioning to take over the Family Court Commissioner position in 2023. Court Commissioner Henry Conti was the Family Court Commissioner in 2022 and will continue as the Circuit Court Commissioner for 2023.

Should you have any questions or concerns please do not hesitate to contact me, the Family Court Commissioner, or the Register in Probate. We would be happy to assist you in any way we can.

Honorable Mark T. Slate
Circuit Court Judge

Angie Smit
Register in Probate
Juvenile Clerk

Honorable Henry Conti
Family Court Commissioner

Register in Probate's Annual Report 2022

Below are the case numbers for 2021 and 2022 that the Register in Probate oversees.

<i>Case Type</i>	2021	2022
Probate	13	15
Informal	54	42
Mental Commitments	79	47
Termination of Parental Rights	7	5
Adoptions	3	2
Juvenile Children in Need of Protection and Services	34	22
Juvenile Delinquents	21	22
Guardianships	14	7
Juvenile Guardianships	4	6
TOTAL	229	168

As you can see, there was a decrease in most cases that are handled by the Register in Probate Office, most noticeably the Mental Commitments and Juvenile – Children in Need of Protection or Services (CHIPS).

RE: Annual Report

Dear Supervisors,

Please accept this letter as my annual report to the committee regarding the District Attorney's Office.

Case Analysis:

1072 Referral cases (includes civil traffic/ordinance violations, review only, all criminal violations, death reviews, search warrants and any state civil prosecution (eg., open meetings complaints, DNR violations). The cases that stand out for purposes of public concern would be 171 drug related cases, 98 domestic related, 76 OWI cases, (civil felony and misdemeanor), 23 sexual assault cases, 13 gun related cases. We currently have 2 filed vehicular homicides and 2 filed Len Bias (drug overdose) homicides.

There were 290 felony related cases, 439 misdemeanor cases, 64 juvenile delinquency cases, involving 45 different juveniles.

We continue to do combat in the war against drugs. There were 36 cases involving methamphetamine, 19 involving possession of a narcotic drug (primarily heroin/fentanyl), 99 involving possession of THC and a handful of cases with various other types of drugs. There were three criminal cases filed involving overdose situations.

Six cases went to jury trial. These six cases involved convictions for Battery, Disorderly Conduct, OWI & PAC 4th Offense, OAR, OWI & PAC 1st Offense, Possession of Cocaine,

Possession of Drug Paraphernalia, Strangulation, Battery, Sexual Assault of a Child, Child Enticement, False Imprisonment and Bail Jumping charges.

In addition to case filings, we assisted law enforcement with 90 search warrants or subpoenas in 2022. The majority of these search warrants involve either drug related offenses or sexual assault offenses.

Local Comparisons

In 2022 our neighboring counties of similar size (Waushara/Marquette) had similar caseloads. Waushara County typically has a larger amount than Green Lake or Marquette and do have an additional prosecutor. They are also in the process of acquiring a second Judge.

Filed Cases

Green Lake: Felonies - 221, Misdemeanors 259, Criminal Traffic 125

Waushara: Felonies – 243, Misdemeanors – 250, Criminal Traffic - 88

Marquette: Felonies – 157, Misdemeanors – 154, Criminal Traffic - 154

Other

In addition we reviewed the following types of cases that had post-disposition activity: 9 Petitions for Sentence Modification, 19 Sentencing After Revocation, 2 Parole Consideration, 2 Pardon Applications and 1 Conditional Release.

In 2022 we completed our transition to a paper-on-demand office. The majority of our cases are being stored in an electronic format with the exception of some privileged and sensitive documents. This includes continuing to utilize an electronic referral procedure between all of our law enforcement agencies within the county. This is done with both Spillman (the law enforcement database) and Protect (the DA database) being linked. Protect is also connected with the courts database, also known as CCAP, which allows court filings to be done electronically as well.

Statewide prosecutors' offices continue to struggle to attract and retain attorneys due to non-competitive wages. This issue is an important public safety issue that must be addressed to ensure efficient and effective prosecution. Green Lake County is as vulnerable to this issue as any other county. Currently this is a statewide concern as there remain several vacancies, some of which have been pending for months.

Sincerely,

Gerise M. LaSpisa
District Attorney
