NEW POSITION ANALYSIS

This form is to be completed for all new position requests or requests for increasing hours of an already-approved part-time position.

DIRECTIONS:

All steps of the New Position Analysis form must be followed. Establishment of a new position or an increase in hours of a part-time position are subject to final approval by the County Board. The approval must be granted prior to submission of the department budget to the County Administrator for compiling of the county budget for the next year.

(a) The department head is required to consult with the County Administrator and HR Coordinator prior to considering new position requests concerning position responsibilities and compensation plan placement. The requesting department head shall present the completed form along with position title, job description, proposed wage classification, justifying rationale, any State or Federal mandates, how the position fits within the department, budget implications (i.e. salary/fringe, office equipment, software, furniture, etc.) and proposed resolution. The department head may also consult with the Financial Manager concerning position funding and budget issues. The department head completes the New Position Analysis form and submits the request to the County Administrator. If the County Administrator approves, the request moves on to step (b) or if rejected returned to the department head.

(b) The requesting department head shall present the completed form along with justifying rationale, job description and resolution to their oversight Committee. The Committee will review the request and vote to approve or deny the request. If the oversight Committee approves, the request moves on to step (c). The Department head shall keep their committee apprised of the status of the department's new position request through the budget process.

(c) The requesting department head shall present the completed form along with justifying rationale, job description and resolution to the Personnel Committee. The Personnel Committee will review the request and vote as to whether or not they support the request as proposed. The request then moves on to step (d).

(d) The request shall be presented to the Finance Committee for review and approval of the fiscal note as included in the county board resolution if the new position is created after the annual budget has already been adopted. If the new position is to be included in an upcoming budget process, it need not go to Finance Committee at this time. The request then moves on to step (e).

(e) Finally, the request shall be presented to the County Board in resolution form for final approval if a new position is to be established or an increase in hours is recommended. The resolution will include the approval of the County Administrator and the votes of the Committee of Jurisdiction, Personnel Committee and the Finance Committee (if applicable).

(f) The action of the County Board will be final, although the County Board may refer the resolution back to an appropriate committee if more information is required.

(g) Once the County Board approves the new position, the Department Head may begin the hiring process with the HR Coordinator.
