The Green Lake County Sheriff's Office is releasing the following information pursuant to Wisconsin State Statute 301.46(2m) which authorizes law enforcement agencies to inform the public of a sex offender's release or change in status when, in the discretion of the agency, the release of information will enhance public safety, awareness and protection.

The individual who appears on this notification has been convicted of a sex offense. Further, his criminal history places him in a classification level, which reflects the potential to re-offend.

This offender has served the sentence imposed on him by the courts. He is NOT wanted by the police at this time. This notification is not intended to increase fear; rather, it is our belief that an informed public is a safer public.

Sex offenders have always lived in our communities; but it was not until the Sex Offender Registration and Community Notification Law was enacted that law enforcement is able to share this information with the community. Citizen abuse of this information to threaten, intimidate or harass registered sex offenders will NOT be tolerated.

Russell Newbury was found guilty of 3 counts of 1<sup>st</sup> Degree Sexual Assault of a Child on 01-22-2003 in Washington County. He was released from prison on 01/19/2021.

Russell Newbury is 66 years old and will be residing at N5349 STH 73 in the Town of Princeton, Green Lake County Wisconsin.
