Finance Department Status Report July 17, 2024

Year-end financial work

CLA continues to work through our Financial Audit and Single Audit field work. GASB 96 information and 2023 Carryover information needs to be provided yet. Otherwise, it is going well. I think we are providing more information than has been provided in the past, at least for fixed assets.

Migrating Alio on CESA 10 to Alio on AWS

Conversion from Alio to Linq is expected to occur in September, 2024. I am also considering other systems in an effort to gain more efficient integration between the many systems that we use.

Budgeting for 2025 and Creating a Capital Budget

2025 Budgeting is underway. All departments are working on their budgets.
 Capital budgeting information has been slow in coming. I still need to hear from HHS, Sheriff's Office and Highway. This work will continue as the budget gets completed.

Other Successes and Notes

- In May, 2024, Green Lake County became the fund distributor for the East Central Income Maintenance Partnership. This is a partnership of the following counties:
 - Calumet
 - Kewaunee
 - Manitowoc
 - Marquette
 - Outagamie
 - Waupaca
 - Winnebago
 - Green Lake

- As the fund distributor for the East Central Income Maintenance
 Partnership, Green Lake County receives payments form Income
 Maintenance from the Federal Government and redistributes these funds
 to the various counties in the group based on their Income Maintenance
 activity.
- o In June the funds received were \$2,808,704.50 with \$92,699.00 for Green Lake
- o In July the funds received were \$1,472,851.50 with \$56,051.50 for Green Lake.
- Finance has moved to make sure that the funds are received prior to being paid out and that the payments are done the first week of the month so that there is no end of month reporting oddities from these transactions.

Current Projects

- Writing up Finance Policies to solidify our financial processes
- Preparing for an Alio / Linq upgrade and eventual replacement
- Maximus Provide Information for Annual Allocation Calculation

Respectfully submitted,

Kenneth J. Stephani, CPA Finance Director Green Lake County, Wisconsin

INSURANCE REPORT

Below is an update on recent developments:

I received an email this week from ETF (Employee Trust Funds) in regard to our health insurance cost increase for 2025. According to the calculations they sent me, the employer portion of the monthly premiums will increase by 9% for both the single and family coverage if the county continues to pay 88% of the premium as we currently do. I contacted USI, Inc., the broker that is providing service to us for the bid process for health insurance, last week for an update. They stated they have all of the information they requested from me and we should be hearing from them soon in regard to any interest or bids from other providers.

I handle the following insurance coverages for Green Lake County. All of these coverages are provided by Wisconsin County Mutual Insurance:

Liability

Property and Auto

Crime

Position Bonds

Workers Compensation

Employee benefit insurance options we currently provide are as follows:

Health insurance (through ETF)

Life insurance (through ETF)

Short and long term disability (through ETF – no cost to employee or employer for 2025) Accident, critical care, and LTC/life insurance (through Allstate – employees pay for entire premium)

Dental and vision insurance (through Delta Dental – employees pay for entire premium) Additional life insurance (through Boston Mutual – employees pay for entire premium)

I am currently working on the 2025 budget for the insurance coverages through Wisconsin County Mutual. I typically increase the budget by 5% overall from the prior year for premiums.

At the June meeting I reported that on Friday, June 7 a property appraisal was completed for Green Lake County courtesy of Wisconsin County Mutual as part of their services. A representative was on site to do a physical appraisal of our current properties and their value. I still haven't received any results as of this date – if I hear nothing soon I will contact County Mutual before the next meeting of this committee to get an update on their findings.

Respectfully submitted,

Liz Otto
