BURNING PERMITS

This information was taken from the DNR website: dnr.wi.gov/wisburn

In Green Lake County, burning permits are required from January 1 – May 31 – except when the ground is completely covered with snow.

When used appropriately, burning permits are an important tool in wildfire prevention. They allow the public to burn legal materials in the outdoors and are proven to be effective in protecting lives, property, and natural resources from the damages of unwanted wildfires.

The simple steps to being a responsible debris burner:

1. Obtain the annual burning permit online or by calling 1-888-WIS-BURN (947-2876) to have a permit mailed or instantly emailed.
2. On the day of the burn, check on the internet or over the phone after 11:00 a.m. for the daily fire restrictions in the county where you wish to burn.
3. Follow the rules for the day. Have tools and water available and make certain your fire is completely out before leaving.

Items **allowed** to burn: Brush, leaves, pine needles, grass, clean wood, unrecyclable paper and cardboard.

Items **NOT allowed**: Garbage, shingles, furniture, metal, vinyl products, plastic, foam, wire, aluminum, oil base products and rubber products.

DOG LICENSE APPLICATION --- PAYMENT IS DUE BY JANUARY 31st

Wisconsin State Dog Law: (From Chapter 174, Wis. Stats.) **All dogs over 5 months old must have and wear a license and have a valid rabies vaccination.**

The STATE LAW requires a current rabies certificate be submitted with your payment. By law, no dog can be licensed without it. If the rabies certificate cannot be found, contact the Vet that administered the vaccination and ask them to send you a copy of the certificate. **Payment for license will be returned if a current rabies certificate is not enclosed and the dog will be listed as unlicensed, and information will be turned over to the County.**

Failure to obtain a dog license is subject to a citation from the Green Lake County Sheriff's Department. The fine for an unlicensed dog is \$150.00/dog. The fine for an unvaccinated dog is \$150.00/dog. For your own protection, get your dog vaccinated and licensed. Homeowners, **PLEASE** pass this information along to your renters.

DON'T FORGET - If mailing, please enclose a self-addressed stamped envelope for return of license and tag.

KENNEL LICENSES: The county requires that anyone with 5 or more dogs obtain a kennel license. An inspection of the kennel must be completed and passed before tags can be issued. An inspection report and proof of vaccination must be submitted when applying for tags. Please contact the Tri-County Environmental Health Consortium to schedule an inspection. The telephone number is 920-294-4070.

In person payments will be accepted on Mondays and Fridays at town hall from 9:00am – 12:00pm.
