Absent: Nicole Gill.

Others Present: Jason Jerome, via Teams off at 8:10, in person at 8:41, Lauren Olson, Nancy Gimenez, Kyle Alt, Sarah Petit.

Introduction- Not applicable.

Minutes of 1/14/26

Motion/Second (Pat Brandstetter/Sue Shemanski) to approve the minutes from January 14, 2026, Health Advisory Committee meeting with no additions or corrections, All Ayes, Motion carried.

Environmental Health Update- Kyle Alt

First quarter (January-March): Quarantine orders 9 dogs, 5 completed and 4 were referred to law enforcement agency. One bat tested negative for rabies. 7 drinking water tests were completed. Completed training with DNR for water testing. 37 radon tests were sold. 1 abatement order for sewage and 1 for garbage. 1 housing complaint. Inspections: 8 pre-inspections, 46 routine, 1 re-inspection, 1 complaint.

Rural Environment Health Alliance Fee Schedule Update-Rachel Prellwitz/Kyle Alt:

Rural Environment Health Alliance (REHA) fee schedule in packet was reviewed and discussed. Fee schedule is set by DATCP. The fee schedule was approved by the Marquette County Board as Marquette County is the fiscal agent. The DNR water testing program has been moved to the REHA, and bacteria testing can be performed at the Marquette County Health Dept. for a \$30.00 fee. Discussion followed.

Diabetes Prevention Program Update- Nancy Gimenez:

Currently have 2 classes in session. Classes are year long. Weight loss per cohort has averaged 130 pounds. Participants lose an average of 12.6 pounds. The retention rate in the program is 90.6%. Data set is submitted every 6 months to the CDC. The program received Full Plus recognition. The program continues to surpass the national risk reduction results. Success in programming is measured in four different ways. Continue to prep for a virtual class. Media push took place in March. Radio ads, senior newsletter, and local newspapers had advertisements. A direct mailer is being planned. Medicare has changed guidelines to allow more for more than one DPP class in a lifetime. DPP was chosen by CDC for a pilot program for national referrals. Discussion followed.

Upcoming PH events & projects- Rachel Prellwitz/Lauren Olson:

- Area Health Education Center Intern (AHEC). Premed intern will join health unit from June 1st- July 24th. Will assist with community day, fair booth, social media, Berlin Farmer's Market, Boys and Girls Club. Discussion followed.
- CHAT coalition- SYNC (Supporting Youth, Nurturing Connection). Princeton School is the pilot school. Students were surveyed and parents are currently being surveyed. UW-Madison will compile and analyze data for next steps. The purpose is to strengthen mental health and help young people thrive through healthy screen use. Discussion followed.
