DRAFT

Green Lake County

County Board
October 20th, 2026

County Manager's Report:

The draft 2027 budget has been submitted to the Finance Committee for review. A presentation of the proposed budget, along with a request for committee approval, is scheduled for the Finance & Insurance Committee meeting on October 29. Final approval is anticipated at the November 10th public hearing and meeting of the County Board.

The 2025 audit has been certified and formally submitted to the Federal Audit Clearinghouse (FAC).

Proposed updates to the Policies and Procedures Manual were presented to this committee in August. Following the collection of feedback from Department Heads and committee members, the workgroup is proceeding with the revision process. A finalized version of the updated manual will be presented to the Administrative Committee upon completion.

Late last month, I attended the Wisconsin Counties Association (WCA) Conference. The conference provided valuable opportunities to engage with colleagues from across the state, learn from various breakout sessions, and explore new ideas relevant to county operations. It was also encouraging to see that several Green Lake County Board Supervisors were in attendance. They will be able to share key takeaways and insights with the full County Board at this afternoon's meeting.

Respectfully submitted,

Jason Jerome

County Manager
